

Dear Potential Sponsor:

On behalf of Space Center Houston, the Official Visitor Center for NASA's Johnson Space Center, I want to invite your support and participation in our 19th Annual Space Exploration Educators Conference (SEEC), February 7-9, 2013. Three days each year grades K-12 teachers from across the nation engage in learning sessions hosted by scientists, engineers, and astronauts. Our Canadian, European, and Japanese partners in space, and other educators also contribute workshops. Participants take away cross-curricular ideas and materials ready to apply in class to inspire their students in lifelong Science, Technology, Engineering, and Mathematics pursuits.

Space Center Houston was created in 1992 as a 501(c) nonprofit organization to showcase NASA history, artifacts, missions and accomplishments to the public. To date over 15 million visitors from across the world have engaged first hand in the exhibits, activities, and 'edutainment' offered here. Since that beginning, however, it has also grown to be a premier educational setting offering unique learning experiences to students of all ages.

We are proud to host this unique event; but we need your sponsorship to continue to grow this program. You have demonstrated a commitment to develop the potential of the next generation, so we hope you will partner with us at a key level as outlined in the enclosed sponsorship opportunities. You will enjoy significant recognition from placement of your name and logo in our brochure and on the thank you wall displayed on the main Plaza; additional benefits are listed with the descriptions of sponsor levels.

Thank you for your time and consideration. You are welcome to contact me at 281-244-2149, Melanie Johnson 281-244-2142 or e-mail. SEEC@spacecenter.org

Sincerely yours,

Angela Case

Education Coordinator

Sponsor Levels

Sponsorship Levels-

1. \$25,000 Universe sponsorship
 - a. Receive logo on conference booklet cover
 - b. Full page Ad on back of conference booklet
