- ◆ A credit card must be used to secure a reservation. The credit card will automatically be charged one month prior to the day of visit if an alternate payment is not received. The reservation and hotel rooms will automatically be cancelled if the credit card is declined and another form of payment has not been arranged.
- ◆ Final payment and final number of participants are due one month prior to the day of visit. **SCH reserves the right to cancel any reservation if a final payment and signed contract are not received one month prior to the day of visit.**
- ◆ No refunds will be issued after 1 month prior to your visit. This parameter is necessary due to the number of hotel rooms being reserved, the amount of staff scheduled, food being prepared, and the materials ordered. For this reason, refunding partial or full payment is not possible.
- ◆ Cancellation of your school's visit must be received in writing, one month prior to the date of your visit.
- ◆ Any changes in group size must be in our office no later than one month prior to the date of visit. Refunds will not be issued if number or participants decrease within one month prior to visit.
